Sistema reggitenda moderno caratterizzato da nuove forme ottenute dalla combinazione di elementi in acciaio lucido e in acciaio satinato.

Modelli realizzati in acciaio Inox Aisi 304 nei diametri di 16 e 20 mm sono disponibili sia con scorrevoli che con anelli.

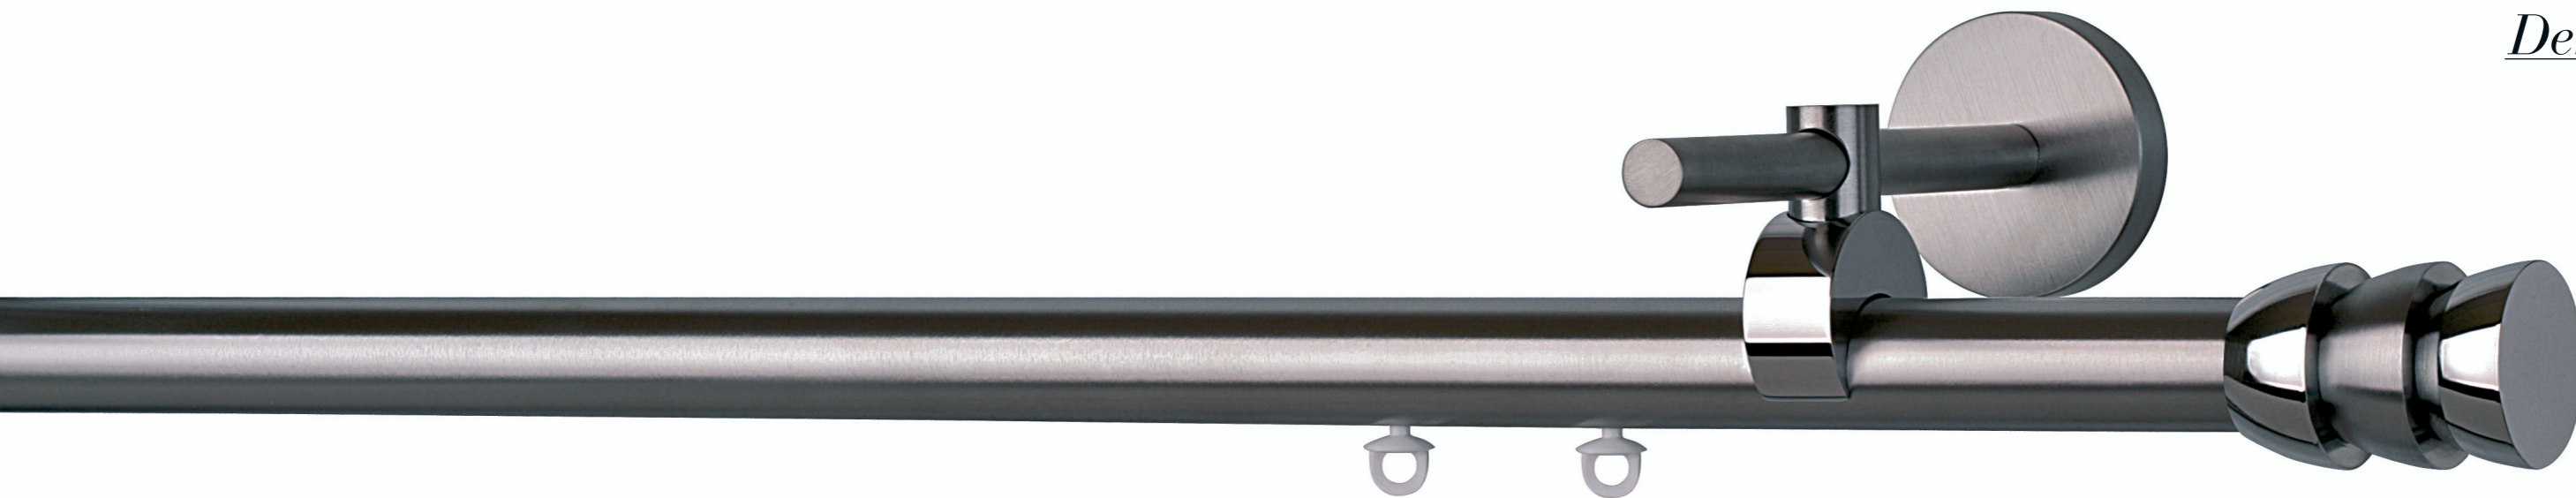

Oggetti originali adatti alle soluzioni decorative più varie.

Modern curtain system with new shapes realized with match of satin steel and shiny steel.

All curtain rods are available in Aisi 304 stainless steel in diameter of 16 or 20 mm with rings or gliders.

Original objects, precious in personality that harmoniously complement the most different decorative solutions.
